RUSSELL WHITE

A Basketball Scouting Report

Opponent: HARDSHIP

Strengths:

Relentless, no fear, doesn't care, tough

Weaknesses:

Like every opponent...HARDSHIP can be beat, but we must be disciplined, stalwart, and resolute. We will defeat HARDSHIP by wearing him down. We have to chip away. We aren't going to defeat HARDSHIP with one shot or one block. We will defeat HARDSHIP with an incessant approach.

Tendencies:

Like a little brother or sister when your friends are at the house, HARDSHIP is sneaky, annoying, and a massive pest

How do we attack?

We must use HARDSHIP's strengths against him. HARDSHIP is relentless. We can't quit when HARDSHIP is on the attack. HARDSHIP has no fear. We must be courageous when HARDSHIP is on the attack. HARDSHIP doesn't care. We can't be casual when HARDSHIP is on the court. HARDSHIP is tough. We have to meet that toughness with a high level of resiliency.

Quote of the Day:

"There is no success without hardship" -- Sophocles
